PREPAID MEDICARE HEALTHPLANS

As a Managed Care Organization, Prepaid Medicare Services have Health plans designed to meet the unique health needs of **Individuals, Families, Corporate organizations** and **Communities**.

ALPHA HEALTHPLAN

A basic health plan offering primary and secondary level healthcare benefits designed to accommodate the basic benefit package of the Social Health Insurance Scheme of the national Health Insurance Scheme. Its premiums are very affordable.

OMEGA HEALTHPLAN

A fully comprehensive health plan offering primary, secondary and tertiary level healthcare benefits designed to meet healthcare needs of majority of the population. The benefits package is designed to create a healthcare pool fund that can provide enrollees with personalized care and respect for privacy.

OMEGA PLUS HEALTHPLAN

Also a fully comprehensive health plan offering primary, secondary and tertiary level healthcare benefits with additional medical benefits without restrictions to choice hospital.

The following are the health care services provided under our various plans:
